WHAT TYPE OF CHARITABLE REMAINDER TRUST WORKS FOR YOU?

**CHARITABLE REMAINDER ANNUITY TRUST**
**EARN FIXED INCOME PAYMENTS FOR LIFE**

A charitable remainder annuity trust pays a fixed dollar amount each year to you or a person you designate — either for life, or for a term of years. The annual payment is calculated on the date the trust receives your gift, and is based on prevailing market conditions and the potential length of the trust.

**CHARITABLE REMAINDER UNITRUST**
**EARN VARIABLE INCOME PAYMENTS FOR LIFE**

When you set up a charitable remainder unitrust, your annual income payments can increase as assets grow. Each year this amount is calculated and the trust pays a fixed percentage of the value of its principal to you, or to a person you designate. Payments last for life, or for a term of years.

Both types of trusts direct the balance of your account to a permanent fund of your choice at Fairfield County’s Community Foundation, supporting grants that honor your charitable intention.
