THANK YOU TO OUR GIVING DAY SPONSORS :

SUMMARY

Since 2014, Fairfield County's Community Foundation, with champion sponsor Bank of America, has organized the region's largest philanthropic day of the year - Fairfield County's Giving Day. For six years, hundreds of nonprofits and thousands of community members have joined together in celebration of local philanthropy on Fairfield County's Giving Day. In total, \$7,655,102 has been generated to support the myriad of impactful programs that support the people and places in the region.

This incredible effort continues to inspire and empower people from the 23 towns and cities in Fairfield County to learn about local nonprofit programs and encourage them to support this important work. Giving Day is also a valuable opportunity for nonprofits to increase awareness about their missions and build staff skills in marketing, communications, fundraising and social media tools.

While Fairfield County's Community Foundation raises the profile of the overall campaign, the marketing and communication efforts from nonprofits drive a great deal of the donors to give on Giving Day. To help nonprofits be successful, the Community Foundation provides the following tools and resources:

- A series of workshops and trainings offered through our Center for Nonprofit Excellence, online marketing toolkit and responsive customer support by the Giving Day team.
- Technology capable of managing high-volume donations through GiveGab's platform at FCGives.org that offers nonprofits specific donation pages and access to donor real-time data.
- Regional marketing and promotions including a variety of paid and earned print and online news through social media, Moffly Magazines, town banners and signage, Star 99.9 and 95.9 The Fox, and the Hearst CT Media Group.
- Grant prizes totaling \$107,000 to maintain momentum of donations and drive donors to give during specific times.

The sixth Fairfield County's Giving Day on February 28, 2019 was a banner day of giving. Nonprofits and donors exceeded prior year outcomes raising a total of \$1,719,685 in just 24 hours. In fact, 2019 outcomes represented a 127% increase in giving from its inaugural year in 2014; 415 nonprofits raised funding in 2019, compared to 267 in 2014, and 31% of donors made gifts to organizations for the first time!

The Community Foundation values inclusive community philanthropy and through Giving Day, our vision for a vital community where every individual has the opportunity to thrive is realized.

These supporters create their own fundraising page as a spin off of your main Fairfield County's Giving Day profile. Your fundraisers will share that page with their network to expand the reach of your cause and bring in new donors. These individuals are passionate about the work you do, and use their voice to make a difference! See the outstanding results below:
